# Suwannee River

## Increasingly Popular!

Suwannee River's ability to withstand extreme temperatures — heat and drought as well as severe cold, makes it much in demand, especially where hardy broadleaves are scarce.

In the East, the past winter was an unusually severe one. Wherever tested, Suwannee River suffered less cold injury than most other broadleaves. Try Suwannee River in your area. It will make you money.

Specimen Suwannee River 2 years in the field

## SUWANNEE RIVER HAS EVERYTHING!

- low spreading habit . . .
- compact, dark green foliage . . .
- flowers but little or no berries . . .
- best in full sun . . .
- little pruning requirements . . .
- lack of fussiness about soils . . .
- ease of transplanting . . .
- high resistance to nematode . . .
- drought resistance . . .
- hardy to Long Island . . .

# SUWANNEE RIVER LIGUSTRUM

Plant Patent No. 1402

Graded by height or spread, whichever is greater.

## WHOLESALE PRICES

To protect you and your customer, each Suwannee River Ligustrum plant will carry this tag!

PLANT  
PATENT  
NO. 1402

Suwannee River Ligustrum is excellent for Industrial plantings.

# CAMELLIA JAPONICA

## FIELD GROWN

These Camellias have been grown, since liners, in full sun under irrigation. In most grades, especially 12 to 18 inch and up, they are much heavier and much more compact than similar grades grown in slat houses. Full sun tends to make Camellias branch early, and grow bushy. They are not to be compared with slat house plants.

\*Figures after variety denote the size or sizes available in that particular variety.

## Rare and Unusual

VARIETIES: Angel's Blush 12-24", Bessie McArthur 18-30", Daikagura Var. 12-30", Debutante 12-36", Duchess of Northumberland 12-36", Elizabeth Boardman 12-18", Fred Sanders 12-30", Iwano Shibori 12-24", Lady Mary Cromartie 12-30", Lady Clare 12-30", Lady VanSittart 12-36", Lallarook 12-30", Mathotiana 12-36", Mathotiana Var. 12-36", Pink Herme 12-30", Queen Bessie 12-30", Rev. John G. Drayton 12-30", Rosea Superba 12-24".

# Fish While You Wait

**BUY A BUSH  
AND  
BOAT A BASS!**

This irrigation lake supplies not only water for irrigation, but is well-stocked with Bream and Bass.

**You're cordially invited to try your luck. Many of our customers bring along their fishing tackle, and while we dig and load their orders, they spend the time fishing.**

## **TERMS OF SALE**

**TERMS:** Cash, unless credit arrangements are made before shipment.

**GUARANTEE:** We guarantee our stock to be well grown, true to name, and properly packed. In no case shall our liability exceed the original invoice value. Our responsibility ceases on delivery to the transportation company.

**SHIPPING:** Please give full shipping instructions with each order; otherwise we shall use our best judgment.

**PACKING CHARGES** at cost will be added to these prices except bare root stock, which is packed free when cash accompanies order.

All prices are f.o.b. Cairo, Georgia.

This list cancels previous quotations and is subject to change without notice.
